

COMPOSITION LIST

This is a listing of *nearly* everything I have ever written...except for some of my earliest teen-age efforts, dating from before I had any idea what I was doing, and whatever else I have surely forgotten. It also does not include most of the dozens of short group-specific arrangements that I wrote over the years for my middle and high school concert and jazz bands, nor a truly endless parade of also group-specific commissioned arrangements—mostly marching band—dating from 1969 to 2003.

Some of the music that is on the list is not available for one of 3 reasons:

- 1) I have voluntarily withheld or withdrawn it (W)
- 2) Somewhere over the years, it has become lost (L)
- 3) It can't be published or sold because of copyright restrictions on the words or source music (©R)

Compositions are listed first, followed by transcriptions and arrangements.

All the titles are listed in alphabetical order by performance medium, with years of composition/revision and publication (where applicable).
